

HOW TO JOIN MONASTERIUM ...

- Participation is **free of charge**
- **Additional benefit** by presentating the charters in a wider context
- **Centralized metadata – distributed images:**
In MOM-CA (Monasterium Collaborative Archive) metadata are linked with the images located on the server of the hosting archive
- **Metadata:**
In MOM-CA basically all kinds of structured and not structured metadata can be integrated, if based on the UTF-8 standard
- **Concrete procedure:**
 - metadata:**
 - > Archiv provides a sample-record of metadata
 - >>> Structural analysis by our experts
 - >>>> Mapping
 - >>>>> Import
 - >>>>>>> Further editing via web 2.0.. using the online-editor EditMOM
 - images:**
 - > Naming of the web-adresses of the images
 - >>>Linking of metadata and images
