PAST EVENTS SINCE AUGUST 2012

1. ICARUS-Lectures

- 14 September, Zagreb (HR), ICARUS-Lecture #4: “Building up a common archival landscape: Cooperation, networking and standardization” was held at the Croatian State Archives on September 14, 2012.

For more information click >>> [here](#).

- 26. September, Belgrade (SRB), ICARUS-Lecture #5: “Digital Diplomats: What could the computer change in the study of medieval documents?” was held by Dr. phil. MA Georg Vogeler from the University of Graz (AT) /Zentrum für Informationsmodellierung in den Geisteswissenschaften.

2. ICARUS-Meetings

- 19-21 November, Bratislava (SK): ICARUS-Meeting #10 took place at the Slovenský Národný Archív (Slovak National Archives)

More information is available >>> [here](#).

3. ICARUS@work

- 5 September, Wrocław (PL), ICARUS@work #11: “Meeting the digital challenge together – The ICARUS-Experience“. was part of the pre-convention events at the 6th General Convention of Polish Archivists in Wrocław from September 5-7, 2012 Ranging from presenting the ICARUS network including its inherent wide range of activities, this workshop equally highlighted the Polish and the Czech ICARUS-Experiences as well as extended the current transnational co-operations by the prospective Archives Portal Europe and its facilitating APEX-project.

Additionally, Thomas Aigner (President ICARUS) introduced the ICARUS association at the 6th Polish Archives Day, also at the Uniwersytet Wrocławski on September 5th, 2012. This lecture was part of the opening session of the conference.

For more information click >>> [here](#).

- 8 November, Prishtina (RKS): This workshop was partly lectures, partly practical exercises on digital archives. Within the lecture “International archival projects and archives in a digital environment” ICARUS, ICARUSnet, APEX / the Archives Portal Europe, ENArC and further similar initiatives were presented. Further focus was set on the use of standards within archives in Kosovo. Practical exercises on ISAD (G), (CPF) and ISDIAH using the example of ARHInet and ICARUSnet rounded of the event.

4. Presentation and workshops

- 5 September, Wrocław (PL): Thomas Aigner (President ICARUS) gave a lecture on “Complementarity and Synergy – Basic principles of archival work in the Digital Era” within the 6th Polish Archives Day.
The programme of the 6th Polish Archives Day is available >>> [here](#) (in Polish).
- 21 September, Bucharest (RO): The ICARUS-experiences in digitizing archival material under the title “Digitalization issues from archive’s perspective: experiences, trends and prospects” was shared within the conference *Conferința Arhive, istorie și politică în România secolelor XIX-XXI* in Bucharest
Click >>> [here](#) for the presentation in English.
- 26 September, Belgrade (SRB), ICARUS@Research in virtual space – new technologies in editing and presenting archival sources in Serbia: ICARUS introduced not only Monasterium but also the Archives Portal Europe at this conference which focuses on the most recent developments of handling historical sources in the Digital Era.
As Serbia is not part of the APEX-network yet, the Archives Portal Europe presentation was a good opportunity to present and spark some interest in the portal itself and the APEX-project.
- 17-19 September, Vienna (AT), Austrian Archives in Europe: The conference “Austrian Archives in Europe” not only gave an overview on the participation of Austrian archives in three major EU projects but furthermore outlined the prospects resulting from these associations. Essential topics were
 - ✓ the assessment of current positions and potentials and
 - ✓ the development of perspectives of how the archives can position themselves within the international archival landscape.The Austrian State Archives as national representative within the Archives Portal Europe consortium informed in particular on the most recent developments and the possibilities of participation for Austrian archives.
