	<ul style="list-style-type: none"> ▪ Within this time slot, project ideas may be presented and shared. ❖ National Archives Sofia on Healthy and Sustainable Living (Maria Popkovacheva-Terzieva) Are you interested in healthy and sustainable living? Most people whether archivists or non-archivists are these days. A well of information exists in national archives regarding the subject, which can be shared creatively and educationally through an international project.
13.30	Archivum Rhenanum <i>(On invitation only)</i>
14.30	
13.30	Topotheque workshop
15.00	
	The multifaceted history of a community calls for a contemporary vessel: where the abundance of footage excel the frameworks of museums and local chronicles, where material, documents and knowledge is widely dispersed, the uniting functionality of a database is called for. Continuously expandable, with search, linking and localization facilities. Topotheques especially join those historic materials virtually through indexing that are kept in private hands.
18.00	Soccer!
